FACTORY INTRODUCTION

Weifang Jinzita Metalworks Co., Ltd is a professional fence and railing manufacturer, with more than 6 years experience and located in the biggest fence production base in North China.

We supply qualified products for overseas market, focus on building long term relationship between our customers and us.

- 80+ workers.
- 13000 m² workshop.
- Capacity: 40 containers per month.
- Sandblasting, pre-treatment line, electrical coating line and powder supplier audited powder coating line.
- Historically, clients have been forced to choose between sourcing either high quality but high cost fencing materials or low cost/low quality fencing materials. Jinzita has solved this issue, by combining world class, cutting edge manufacturing equipment and techniques with skilled labor that support low cost manufacturing.

WHY CHOOSE US

Engineered installation systems for fast and easy setup

- Lower maintenance ensures beauty even in the hardest conditions
- Safety solutions with gates, pool fences, and code compliant railings
- Exceptional styling and function — helping make your properties stand out
- Rich powder coated colors to compliment your design
- Matching entry and walk gates that are strong and complement each fence style
- A breadth of decorative hardware options to meet your security needs
- True height panels for exact measurements
- Exemplary Customer Service departments
